

# Public Meeting

## Voluntary Groundwater Level Monitoring

McCaughey Fire Hall  
Tuesday, August 16th, 2011  
6:30 p.m.— 8:00 p.m.

The Gold Ridge Resource Conservation District and the Sonoma County Water Agency are working to implement the California Statewide Groundwater Elevation Monitoring (CASGEM) program, designed to collect groundwater elevations so we can better manage our water resources.

This meeting will explain the program and speak with private well owners about how they can participate.

**Participation in the program is confidential and at no cost to the landowner.**
